

# Cooee, Cairns! Hello, Hervey Bay! Toodle-oo, Toowoomba

Queensland is a big state, and IPEd's Queensland members are spread far and wide. While it's relatively easy for editors living close to Brisbane to make the most of social gatherings, networking meetings and training workshops, it's far less practical for members living elsewhere to get together, meet peers, talk about their professional needs and access resources.

So, for our March member event, you're invited to meet and mingle (online) in Queensland's first ever Regional Members Chinwag. Whether you're a 'town mouse' or a 'country mouse', join the Events team – Ian, Kayt and Lee – on Zoom with a glass or mug in hand and let's talk regional!

This event is open only to Queensland IPEd members; there will be no fee for participation. It will not be recorded for later availability.

When: Wednesday 3 March at 6.45 pm (Qld AEST time)  
Register: via the IPEd events page  
Registrations close: 6.00 pm Tuesday 2 March  
Zoom link: emailed the evening of 2 March  
Enquiries: Ian Mathieson, Events Officer,

If you plan to attend this meeting, would you also like to write a short report for the IPEd newsletter Gatherings? For newbies, this is a great way to get your byline noticed.
